Kodak EasyShare M893 IS

Digital Camera

Sharp pictures meet sharp style.

Take amazingly sharp pictures with the camera you can take anywhere. The stylish Kodak EasyShare M893 IS digital camera gives you the power to capture any moment. And with features like image stabilization and HD picture capture, this compact and affordable camera was designed to make everyone look good.

- Reduce blur caused by camera shake, subject movement, or fast-action situations with image stabilization and blur reduction technology
- Take stunning HD pictures and view them on your HDTV with the optional Kodak EasyShare HDTV dock
- Don't miss a shot with the security of in-camera charging and the power of the Li-Ion rechargeable battery
- For great shots of friends and family, face detection technology locates their faces and automatically adjusts the camera settings
- Capture the details in low light conditions and fast action situations with high ISO (up to 1600)

Image stabilization with blur reduction technology

Face detection - locates faces and adjusts camera settings

View and share your pictures in stunning HD quality

Steady it. Kodak

Kodak EasyShare M893 IS
