The screenshot shows the homepage of the Defense Logistics Agency (DLA). At the top, there is a navigation bar with links for Site Index, Policy Statements, No Fear Act, and Contact Us, along with a search box. Below this is a main menu with categories: PUBLIC, CUSTOMERS, VENDORS, and EMPLOYEES. The central content area features a large image of a ship at sea. To the left of the ship is a 'Director's Message' section with a small photo of the director and text about the agency's ability to deliver American warfighters the right logistics solution. To the right of the ship is a 'DLA News Headlines' section with three news items: 'Government agencies work to improve supply chain management', 'Defense Logistics Agency recognizes industry partners', and 'DSCP Provides U.S. Troops with Holiday Meals'. A 'DLA's 4 AREAS OF FOCUS' graphic is also present, listing Warfighter Support, Stewardship, Growth & Development, and Leadership. A sidebar on the left contains links for About DLA, DLA Organizations, Careers, Director's Corner, e-FOIA, and Videos.
