April 2004

Preannounced Discontinuance

The following products (refer to September 2003 KODAK News article entitled "Listings Omitted from Price Schedule") will be discontinued and are expected to run out of stock approximately September 1, 2004. All remaining stock will be supplied until inventory is depleted.

Suggested replacement product is KODAK ACCUMAX Photoplotter Film ABX7 for blue laser plotters and KODAK ACCUMAX Photoplotter Film AGX7 for green laser plotters. Both films require a change to KODAK ACCUMAX Rapid Access Developer and Replenisher and an increase in exposure of the plotter.
