Kodak One-Time-Use Camera Recycling Program

KODAK
Recipient of the
1999
WEC
Gold Medal

Recycle with Kodak for all the right reasons:

- 1 It's easy and hassle-free. There's no sorting or separating required.
- 2 Get quick and reliable payments.
- 3 Kodak pays \$.90 per pound, or approximately \$.15 a camera*.
- 4 All brands and all one-time-use camera models are accepted.
- 5 FREE recycling materials. Call 1-800-847-8755 for
 - FREE recycle collection bin (CAT No. 824 0814)
 - FREE boxes (go into bins; minilab size CAT No. 168 2616, wholesale size CAT No. 844 9902)
 - FREE pre-paid and pre-addressed shipping labels (CAT No. 844 3111)
- 6 FREE shipping (pickup and delivery handled by UPS)

It's as easy as:

TAKE PICTURES. FURTHER.™

*Important: Kodak recycling payments are calculated based on weight. Kodak pays 90 cents per pound, or approximately 15 cents a camera. Kodak pays for one-time-use camera bodies only. If film containers or other photofinishing waste are included in recycling shipments, this weight will be deducted from the total payable weight.

notes:

- If the contents of a recycling shipment to Kodak are judged not to be reasonably representative of the current United States market mix of one-time-use cameras, Kodak reserves the right not to pay a rebate.
- Kodak reserves the right not to pay for damaged, wet or crushed cameras.
- The KODAK One-Time-Use Camera Recycling Program is open only to established photofinishers that are located in the United States.
- You do not have to be a direct dealer of KODAK Products to participate.
- Kodak reserves the right to modify or terminate this recycling program at our sole discretion at any time.
