

RE: Discontinued Products

April 27, 2023

To whom it may concern,

Due to decreasing demand, Kodak announces the immediate discontinuance of the following products:

KODAK AEROCON High-Altitude Film 3409 / ESTAR thin Base

5 in x 500 ft SP 883, Catalog number 1294222

5 in x 500 ft SP 884, Catalog number 1054170

5 in x 10,500 ft, Catalog number 1534585

The complete film code is being discontinued. There are no replacement products.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Thomas J. Brennan".
