### Catalog Number Additions for Selected KODAK Photochemicals

The following catalog number changes are taking place for selected Photochemicals in the Americas. Each catalog number affected has a replacement item that is equivalent. Some packaging may contain additional languages or may have other minor differences in packaging appearance.

Changes will take place on a stock turnover basis and will be reflected in the next update of the KODAK Motion Picture Products Price Catalogs for US and Canada. The discontinued listings will be removed from future updates of the KODAK Motion Picture Products Price Catalogs for the US and Canada. The discontinued products and new replacement products are listed below.
