TERMS AND CONDITIONS

1. Price. The price shall not be higher than that appearing on the face of this order. In any event, the price shall not exceed the net price given by Seller to others for similar services, material and quantity. No charge will be allowed for packaging, crating, freight, express or any other carrier's charges or cartage, unless designated in this order.

2. Cancellation. In addition to any other rights which the Buyer may have, it reserves the right to cancel this order or any portion thereof, holding the Seller responsible, if material or services furnished pursuant to this order or any shipment there under is not as specified. Buyer may cancel this order or any portion thereof if the Seller is adjudicated as bankrupt.

3. Compliance with laws and Standards. Seller warrants that all goods or services called for herein shall be produced or performed in compliance with all applicable federal and state laws, rules and regulations.

Supplier shall comply with all legal requirements including, but not limited to, labor and environmental protection laws, regulations, standards, codes, ordinances and directives applicable to Supplier's manufacture or distribution of products sold to or services provided for Kodak. This obligation includes, but is not limited to,

A. complying with all applicable health, safety, environmental, hazardous materials transportation, labeling and packaging requirements;

B. providing health, safety or environmental data or information deemed necessary by Kodak to support sales, distribution or use of products in their intended markets;

C. maintaining all site permits including, but not limited to, air and water discharge permits necessary to perform its obligations under the Agreement; and

D. complying with all applicable waste management and disposal requirements.

E. In furtherance of any other obligations outlined in this Agreement regarding Supplier's compliance with the Kodak Health, Safety and Environment (HSE) Supplier Performance Standard (<http://www.kodak.com/go/hsesupplierstandard>), Supplier agrees that such compliance shall expressly include, but not be limited to: (a) adherence to the practices outlined in the Electronic Industry Code of Conduct (EICC) with respect to labor, health and safety, environment, management, and ethics, all of which have been incorporated into Kodak's HSE Supplier Performance Standard and form a part of this Agreement and (b) adherence to Kodak's Corporate Responsibility Principles. By agreeing to the terms herein, Supplier expressly certifies that it will fully comply with all applicable laws pertaining to slavery, child labor, and human trafficking. Supplier further agrees that Kodak's right to audit its performance under this Agreement shall extend to Supplier's compliance with the HSE expectations outlined in this section. Supplier shall also provide Kodak with a copy of any audit report resulting from an audit under the EICC Validated Audit Program (VAP), or similar program, with respect to the type of obligations required by this section. Supplier agrees that it will flow down the obligations in this section to any lower tier subcontractor(s) with which it contracts for goods or services under this Agreement.

4. Inspection and Acceptance. All material and services under this order will be subject to inspection and acceptance after delivery. Acceptance shall not be deemed to have occurred unless all material and services provided by Seller are in compliance with all specifications, clauses, attachments and drawings referenced on this Purchase Order. Payment by Buyer shall not constitute acceptance. Material failing to meet the requirements of this order will be held at Seller's risk and may be returned at Seller's expense.

5. Excusable failure or delay. Seller shall not be held responsible for failure of or delay in delivery nor Buyer for failure or delay in accepting material hereunder if such failure or delay is due to act of God or the public enemy war, governmental acts or regulations, fire, flood, embargo, quarantine, epidemic, labor strikes, accident, unusually severe weather, or other cause either similar or dissimilar to the foregoing, beyond its control.

6. Patent Indemnification. Seller warrants that the sale, use and/or method of manufacture of the material does not infringe any intellectual property rights, including any patent, trademark, trade secret or copyright, now or hereafter granted in any country in the world. As a condition of this purchase, Seller agrees to defend and indemnify Buyer for all damages, costs, expenses or other losses (including reasonable attorneys' fees) which result from any claim that such material infringes any such rights, provided that Buyer agrees to notify Seller promptly of such suit or action and tenders to Seller control of the defense. Seller obligations hereunder shall survive acceptance of and payment for the materials by Buyer. Buyer extends a like warranty and indemnification to Seller with respect to any claim of infringement against Seller arising from Seller's compliance with Buyer's specifications.

7. Changes in writing governing law. The terms and conditions of this Purchase Order constitute the only terms which shall govern this order. No other agreement or quotation or any acknowledgement of Seller in any way modifying any of the provisions of this order will be binding upon Buyer unless made in writing and accepted in writing by Buyer, and shipment of goods pursuant to this Purchase Order shall be deemed to be an acceptance by Seller of the terms and conditions of this Purchase Order. This order shall be governed by and construed in accordance with the laws of the Tribunales de Justicia de Bogotá, Colombia.

8. Disclosure. Unless otherwise agreed to in writing, signed by an authorized official of Buyer, any information disclosed to Buyer by Seller in connection with this purchase order such as through discussions with Buyer or in the form of brochures, descriptions, manuals, drawings or otherwise-whether or not labeled to indicate that the contents are of a proprietary or confidential nature shall be considered as having been disclosed to and received by Buyer on a non-confidential basis as part of the consideration for this order. Buyer shall have no legal obligation to Seller not to use, and/or disclose such information except for obligations arising under patents laws.

9. Over shipment. Material shipped in excess of quantity ordered will be held at Seller's risk and may be returned at Seller's expense.

10. Work on Buyer's premises. Services to be performed on Buyer's Premises, will be done under the responsibility of Seller in terms of legal regulations for their employees and Safety and environmental programs. Working hours and conditions of usage of facilities will be in accordance with the Buyer's schedule, unless any other written agreement takes place.

11. Country of Origin. If the materials purchased hereunder are materials of foreign origin, they will be imported and transported under regulations of La Ley Aduanera de Colombia. Upon Buyer's request, Seller will promptly complete and return to Buyer certification(s) to evidence the origin of such material purchased hereunder.

12. Warranty. Seller warrants, for a one (1) year period from the date of receipt by Buyer, that all products or services delivered hereunder shall be free from defects and shall conform to specification, drawings or samples supplied by Seller. In addition to any other rights Buyer may have, Buyer may, at its option, either return for full credit or require repair or replacement of defective or nonconforming products. Returns and repairs of defective or nonconforming products hereunder shall be made at Seller's expense.

13. Assignment. Neither this order nor any interest herein nor any claim arising hereunder shall be transferred or assigned by either Buyer or Seller without the written approval of the other.

14. Severability. The invalidity in whole or in part of any term of this order shall not affect the validity of the other conditions.

15. Changes to products. Seller agrees to notify Buyer before making any changes in the physical characteristics, manufacturing process or chemical composition of the products, and those will have to be approved in writing by Buyer.

16. Drawings. Any drawings or sketches produced by Seller in the course of fulfilling this order shall be the sole property of Buyer without any additional remuneration.

17. Payment Terms. Payment terms are only those specified in the purchase order, from date of reception of invoice in the Accounts Payable department.

18. ENVIRONMENTAL, HEALTH AND SAFETY MANAGEMENT RESPONSIBILITIES. Supplier represents and warrants that it operates in accordance with an environmental, health and safety management system, which enables the Supplier to address health, safety, environmental and regulatory requirements for all products sold to or services provided for Kodak, and which enables Kodak to fulfill its environmental requirements. This obligation includes, but is not limited to notifying Kodak and providing full details if Supplier obtains information that any products or services provided may constitute a risk to the health and safety of any persons or the environment, or may present a regulatory compliance issue. The Supplier shall cooperate with Kodak on any product recalls or for any other measures that Kodak takes to mitigate such risks and shall reimburse Kodak for associated costs. The supplier shall provide Kodak with all necessary information regarding the safe use, maintenance, handling, processing, storage, labeling, transportation and disposal of products sold to or relating to services provided for Kodak.

Supplier shall comply with the Kodak Health, Safety and Environmental Performance Standard, located at <http://www.kodak.com/go/hsesupplierstandard> which may be updated from time to time.

TERMS AND CONDITIONS

19. Customs-trade Partnership Against Terrorism Compliance is applicable if this order involves materials being exported to or shipped within the United States. Suppliers will maintain membership in or security measures consistent with the requirements of the Customs-Trade Partnership Against Terrorism ("C-TPAT") program. Certificate of membership or documentation that appropriate security measures are being implemented shall be provided to Kodak. Kodak and its nominated representatives shall, subject to the reasonable business security requirements of suppliers, have the right to audit Suppliers' compliance with all of its obligations to comply with security measures required by the C-TPAT program.
