Catalog Number Additions for Selected KODAK Photochemicals

The following catalog number changes are taking place for selected Photochemicals in the Americas. Catalog numbers for the rest of the world will remain the same. Each catalog number affected has a replacement item that is equivalent. Some packaging may contain additional languages or may have other minor differences in packaging appearance.

Changes will take place on a stock turnover basis and is reflected in the latest update of the KODAK Motion Picture Products Price Catalogs for the US and Canada.
