## Change in Case Quantities

Kodak is announcing a change to case quantity packaging for 16 mm / 100 ft motion picture camera films. Case quantities will change from 50 units per case to 30 units per case for 100 ft rolls of 16 mm camera films in plastic flip-top boxes.

- 16 mm x 100 ft camera film items only – no other formats or roll lengths will be impacted.
- The new packaging configuration will improve the integrity of the boxes and rolls during transport.

The following products will change to a case quantity of 30 units:

Product Description	CAT No.	Current	New
