* Kodak applications only. Does not include operating system upgrades and updates.

¹ Preventive Maintenance (PM) consists of those actions that Kodak considers necessary to ensure the proper operation of the Equipment. Kodak may, where appropriate, perform PM concurrently with other maintenance activities. Kodak shall perform the PM in accordance with Kodak specifications or more frequently if equipment performance dictates. Additional parts may be replaced during a PM not included in the Support Plan and will be chargeable. Plate Line equipment is excluded from the PM entitlement. Two (2) PMs are included with the Advanced Support Plan. There are no PMs included for the Plus, Remote, and Parts Support Plans or any support plans for GENERATION NEWS systems.

² A Certified Kodak Engineer must install all included parts. Next business day shipping is included as part of your Support Plan; otherwise, ground shipment applies. Call-out Charge and Labor associated with installation of parts are billable at current rates.

³ Where maintenance supplies are included, next business day shipping is included as part of your Support Plan. Some exclusions may apply. Please contact your Kodak representative for details.

⁴ Optional Telephone Support Coverage for 9 x 7 A and 9 x 7 P are for Newspaper Customers only.

⁵ Media change is included only when changing to Kodak media. Kodak will provide support to perform media change on qualified output equipment if the Customer has a current consumables agreement with Kodak or a Kodak authorized reseller. Support (Labor and Travel) to perform imaging and exposure tests are included in the media change, but parts required to complete the media change are additional and will be billed to the Customer. Support (Labor and Travel) to perform a media change to non-Kodak media on qualified output equipment shall be charged to the Customer at Kodak's then current rate. Parts required to complete the media change are additional and will be billed to the Customer.

GENERAL NOTES: PPM is local time and excludes Kodak holidays. Where applicable, current Time & Material rates and minimum charges will apply – no exceptions. Zone Travel Charges are applicable per incident. Time & Material Labor Rates and Zone Travel Charges are subject to change without notice. A valid customer Purchase Order will be required prior to rendering T&M support.
