

May 9, 2023

UPDATED: Kodak PRINERGY announces End of Service Life (EOSL) for PRINERGY 8.x and supporting applications as indicated below, on October 1, 2023. This announcement aligns with Microsoft's timing for end of extended support for WINDOWS 2012/2012 R2.

Customers running Windows 2012/2012 R2, or an EOSL software version, should move to WINDOWS 2019 and upgrade to PRINERGY 9.5 or other supported software versions, as indicated below.

Please contact your Kodak Representative or your qualified reseller for more information.
