Kodak EasyShare

zoom digital camera
and camera dock 6000

DX6490

Amazing print quality
- Get really close with its 10X (38-380 mm) professional-quality optical Schneider-Kreuznach Variogon™ zoom lens
- Features the exclusive Kodak Color Science image processing chip derived from the same color technology that goes into our Professional series cameras
- Print stunning pictures up to 20" x 30" with 4.0MP
- Get bright pictures – even in low light – with high-speed, low-light capable precision auto-focus

Versatile performance
- Fine-tune for the shot you want with advanced creative and manual controls and an external flash synch
- Use the high-resolution electronic viewfinder to see your shots just the way you shot them, or view your pictures through the large 2.2" LCD
- Be ready for just about any situation with easily accessible scene modes

Sophisticated simplicity
- Includes a Kodak EasyShare Li-Ion battery and camera dock 6000 for one-touch-simple transferring, e-mailing, printing, and recharging
- Capture moments in motion with video and audio
- See your vertical shots vertically with auto picture rotation
- Compatible with Kodak EasyShare printer dock 6000

The Kodak EasyShare DX6490 zoom digital camera is your key to self-expression. Built to give you endless creative versatility and effortless control, the DX6490 supplies advanced professional-quality features such as a powerful 10X (38-380 mm) optical Schneider-Kreuznach Variogon zoom lens and the most vividly lifelike color possible, thanks to our exclusive Kodak Color Science image processing chip and over 80 years of color science engineering. The results are simply stunning. Razor-sharp focus. Inspired compositions. Dramatic depth. An intimate glimpse into reality, or a surreal look at the abstract. Whatever your eye sees the DX6490 can capture. And with a touch of our exclusive Share button, you can show your vision to the world.

Kodak EasyShare
system

Shoot. Touch. Share. With the Kodak EasyShare system, sharing is simple. Just place your Kodak EasyShare digital camera into the dock, touch the button, and your pictures are automatically sent to your computer. Now you're ready to e-mail pictures and share great-looking prints with the world.

Just press **share**™

DX6490

Making digital even simpler

The Kodak EasyShare camera dock 6000 makes it simple to transfer pictures from camera to computer in one touch. It even recharges your Kodak camera's battery pack – in less than three hours. Want more? The optional Kodak EasyShare printer dock 6000 does everything the Kodak EasyShare camera dock 6000 does, plus it provides the simplest way to print real borderless 4" x 6" Kodak photos – with or without a computer.
