

Printing Instructions
Kodak Publication H-2
KODAK Cinematographer's Field Guide

This publication has been formatted to 5.5 x 8.5 inches, using an Avery Binder #17116 or #5806 as a guide. You can use any 5.5 x 8.5-inch binder, or an 8.5 x 11-inch binder if you choose. These instructions are for double-sided printing in a typical home printer.

BOOK PAGES:

- 1) Trim 37 sheets of paper to 5.5 x 8.5 inches using a rotary trimmer or a very straight paper cutter.
- 2) Load paper into printer, adjust paper guides.
- 3) Open H-2.pdf.
- 4) File > Print.
- 5) Find your Advanced settings and change paper size to 5.5 x 8.5 inches.
- 6) Choose "Print Odd Pages Only."
- 7) Print.
- 8) Remove odd pages from output tray, return to input tray so that the other side will get printed correctly.
- 9) File > Print.
- 10) Choose "Print Even Pages Only."
- 11) Print.

BOOK COVER:

The cover is sized to 6.5 x 8.5 inches to fit the Avery binders mentioned above.

- 1) Use 8.5 x 11-inch paper. Consider KODAK Ultra Premium Photo Paper.
- 2) For best results, choose "Best" from your Print Properties menu.
- 3) Print.
- 4) Trim to fit binder cover opening.
